TARGETS FOR EXPORTS

2331. SHRI MURLIDHAR CHANDRA-KANT KHANDARE : Will the Minister of COMMERCE be pleased to state :

(a) the targets set for exports dufing the last three years;

(b) how far these targets have been ! achieved;

(c) the reasons for slow growth in ex-ports; and

(d) streategy adopted during the Eighth Plan to accelerate growth of exporta?

THE MINISTER OF COMMERCE (SHRI PRANAB MUKHERJEE : (*a) and (b)* Export targets and achievements for the last three years are given below :

Year	Target		Achievemen	
	Rs. Crores	US $ Million	Rs.Crore	US $ Million
1990-91	36000	20064	32553	18143
1991-92	*	*	44042	17865
1992-93	57850	20132	53688	18537
1993-94	70842	22138	38045**	12131

*No targets were for the year 1991-92 due to ancertain in the global trading environment. Collapse of the crstwhile Soviet Union, and the timelag required for the reforms initiated since-July 91 to have neal impact on exports.

** Achievement is for April -October ,1993, the latest period for; which trade data are availably during. 1993-94.

(c) Actual export growth during 1992-93 was lower than the target. Among the reasons for slow growth in exports in 1992-93 mention may be made of rapid fall in trade with CIS and East European countries recession in industrially advanced countries and sluggish growth in World trade. However, exports performance in the current year is satisfactory. The export growth provisionally estimated at 20.19 percent during April-October, 1993 compared fo April-October, 1992 latest period for which trade data are available, is about same as the' target set for the year.

(d) In order to increase exports in the Eighth Plan period the Government have taken major steps for liberalisation of trade which include provision of expoit linked imports, reduction of import licensing, strengthening export incentives and removal of procedural irritants through simplitication of Policy and procedures. In 1993-94 Budget, the system of market determined unified excahnge rate has been in-troduced and customs and excise duty on imports many raw materials and capital goods have been reduced. An export culture is sought to be built up in the country incorporating of Government agencies and trade and industry. Emphasis is being placed on improving quality to increase-compelitiveness and production specifically • for export.
